For more than 19 years, Teen Voices has empowered girls and young women to create positive social change. **AMPLIFY!** is our annual event to honor and celebrate our achievements and our dreams.

Together, we are raising the volume of girls' voices in Boston and beyond.

We hope you will join us for this special evening **honoring** author and activist **Katherine Butler Jones**, and national women and girls funding advocate **Amy Segal Shorey**. The evening will include hors d'oeuvres, an open bar, live and silent auctions, and entertainment.

Questions about **AMPLIFY!**? Contact Gloria Ramón, Development Director, at 617-426-5505 x14, or at Gloria@TeenVoices.com.

Peer Leader Tanasia Barboza-White.

Guests from 2007 sponsor, Bank of America.

2007 Honorees, Sarah-Ann Shaw, Amity Paye, and Klare Shaw.
